DEDICATION

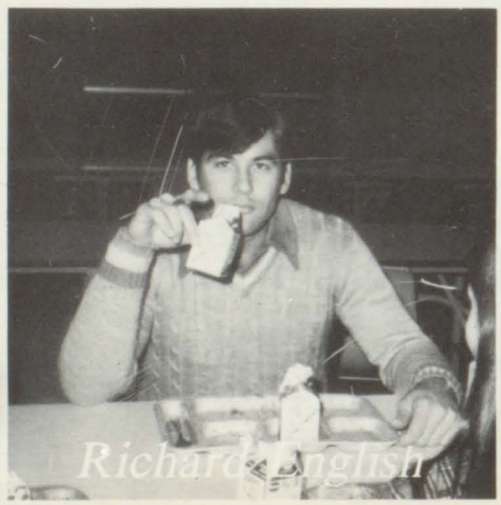

The 1978-79 Annual Staff voted to dedicate this year's annual not to just one person, but to several. This has never been done before, but we felt the honor could not go to just one person. These people have added spirit to our school, pride to our teams, and most of all, respect to both. They are always around to bring a smile to someone's face and to make a friend. They are trusted and respected by all students. This year's dedication goes to the new 78-79 teachers: Lisa Badgett, Howard Beard, Richard English, Betsy Greiner, Cheryl Kennedy, Nancy Lamberth, Rick Little, Kenneth Moore, Robert Swain, and Kathy Vanderpool.

VARSITY

The 1978 Kennedale Wildcat football season began with some changes in the football staff. The new head football coach, Robert Swain, along with coaches Rick Little, Melvin Cooper, and Richard English, immediately began to improve the athletic complex. They spent many long hours painting the facilities and improving the field conditions. They were successful in upgrading the present facilities to create a nicer athletic complex.

The coaches were also successful in purchasing a $4,200 weight machine, which is the finest of its kind on the market. This machine replaced some weights which have been used in many years in the past. But possibly the most important change brought about by Coach Swain and his staff was the overall change in athletes' grooming practices, class behavior, and attitude.

The 1978 football season actually began August 14, when 23 varsity players reported to practice. These 23 were the ones who dedicated themselves to the cause of trying to achieve a winning football season. The Seniors were encouraged to come forth and be leaders in achieving those goals; they met the challenge and succeeded.

The season ended with four wins and six losses; however, the season was much more successful than this record indicates. The Kennedale Wildcat football team is on the right path to becoming a winner. Although there is more hard work ahead for our athletes, the foundations are laid and the goals established.

A LETTER OF THANKS TO OUR ADVERTISERS

The 1978 Wildcat's Track staff would like to thank its many advertisers, without whom this yearbook would not be possible. Your support in advertising is not only appreciated; it is greatly needed. To each and every one of you we say, "Thank You."

EDITOR'S NOTE

The Golden Chain of Friendship

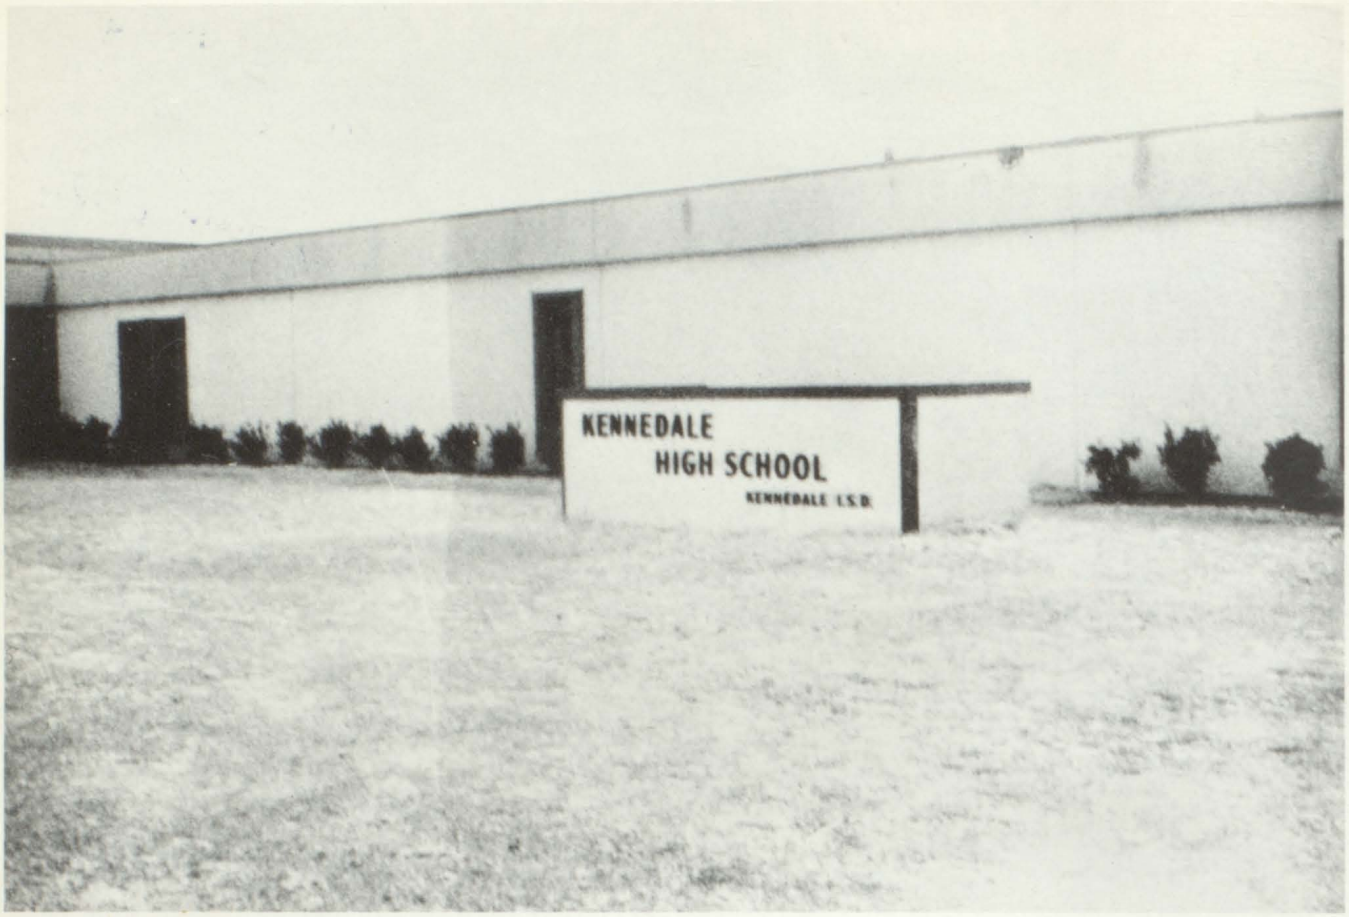

Friendship is a golden chain,
 The links are friends so dear,
And like a rare and precious jewel
 It's treasured more each year ...
It's clasped together firmly
 With a love that's deep and true,
And it's rich with happy memories
 And fond recollections, too ...
Time can't destroy its beauty
 For, as long as memory lives,
Years can't erase the pleasure
 That the joy of friendship gives ...
For, friendship is a priceless gift
 That can't be bought or sold,
But to have an understanding friend
 Is worth far more than gold ...
And the golden chain of friendship
 Is a strong and blessed tie
Binding kindred hearts together
 As the years go passing by.

-Helen Steiner Rice

On behalf of the entire Annual Staff, we hope that this annual has brought back fond memories of the past year that will be cherished for years to come. May your friendships deepen and remembrances linger as you look back through these pages of the 1979 Wildcat's Track.
